

President: John H. Green WB4MOZ
Vice President: Jamey Timberman KD4LXB
Secretary: Gary D. Wilson WA8DAF
Treasurer: Frank C. Harris WA4PAM

**MEETING MINUTES FOR:
April 10, 2008**

Attendees: Andy Czermann, David Fowler, John Green, Frank Harris, Marvin Kaskawits, Bob Pasqale, Howie Silver, Tom Thompson, Jamey Timberman, Doug Welcker, Gary Wilson, Joel Yates

President John opened the meeting at 7:02 pm and asked for the **Secretaries report** of the previous meeting. After review of the minutes a motion to accept as presented was made by Frank Harris, second by Jamie Timberman. Motion passed.

Treasurer's report was presented and explained by Frank Harris. After some discussion, a motion to accept as presented was made by Jamie Timberman, seconded by Doug Welcker. Motion passed.

Technical: Doug tuned up another Mitrek radio which was installed on April 8th.
LaBelle – Frank reported us that the power had been turned off. All PBPG equipment has been removed since the site is no longer secure and has no power. Frank also updated us on the construction of a new EOC center in LaBelle that is planned. He has reviewed the layout and talked with some of the people who will be playing a major role in its operation.
Okeechobee – Before the summer hiatus we hope to fix the 446 trunk to Lake Placid.
Lake Placid – One amplifier and computer still must be delivered. Computer is losing date and time and is very old needs to be replaced.
Boca – site is still off the air - a trip may be required to help bring it back on the air.
Palm Beach APRS is out - may be operating on low power. (a follow up note - the aprs is working, there was a problem with the aprs radio).

Old Business: No old business

New Business: See Technical above. This meeting will be the last official meeting until after our summer break. John will email us when he returns. We need to continue to meet socially at this location so we keep our presence known with the restaurant. Marvin shared an email with John who requested our webmaster to post to our website for all to see. The repeater in Palms West is working again. David updated everyone of at least seven new amateurs are now qualified to operate after receiving their license. David will encourage them to get involved with packet. For more information on training classes go to <http://www.freewebs.com/pwarc/> and read the upcoming events info.

Howie reported the Red Cross will be starting their hurricane meetings shortly.

John reported many changes have been made to WinLink and PacLink and PostOffice will be replaced. Several hamfest in April with Tampa this weekend. Everyone encourage to attend.

John is adding a short session to each meeting for everyone to talk about swap items. A good time to sell and acquire equipment. Gary encouraged everyone to use the website and add to the items that may be of interest to other members.

With no further business, Frank motioned we end the business meeting, seconded by Marvin. Motion passed. Members then enjoyed a program provided by Doug and Frank with a simplistic approach of how to use the packet system. We adjourned at 8:15 pm.

Next meeting will be communicated by President John after the summer break. During the summer, we will still gather on the same frequency at New China Buffet located at 5841 Lake Worth Rd, Lake Worth, FL 33463. Members, guest and XYL's and YL's welcome.

How to use a FPAC SWITCH							
4. To what, where, or who							
5. Where I'm going INTO the network							
6. Where I'm going OUT of the network							
It is as easy as 1 2 3 Or rather 1 VIA 2, 3							
Example: W2TMT v K4PKT-8, 561655 Connection to Tom (W2TMT) via WPB							
SWITCH and out V WPB							
OR							

HEARD v k4pkt-9, 863357 Connection to **Heard** List going in at **WPB** out in **Okeechobee**
